PREMIUM FLY BRIDGE SEATING

This is your opportunity to choose premium tables that will remain your personal space throughout the trip.

You have the option to pre-reserve one or both of the Fly Bridge tables depending on the size of your group (not more than 5 per table). The cost of each table is \$200.00 additional. Although other guests are welcome to come up and enjoy the view and

engage in conversation with the Captain, your tables will be reserved for you throughout the entire voyage. Of course you are also welcome to enjoy all the on-deck shared areas as well, while you leave your personal belongings at your reserved Fly Bridge tables.
